“ I had the pleasure of working with Carol at CSG for several years. She was professional and had a fun side that belied her more serious, professional nature. I'd see her 2-3 times a week at Jazzercise in the evenings. She'd always be in the front row in her leotard/body suit and she'd be doing her thing like the rest of us. She always amazed me that 1. She's be brave enough to be in the front row and 2. that she could keep up with the best of us. Very fond memories!
My condolences to the family on their loss. Cherish all the memories.
