“ Mrs. Weiss was one of the kindest people I've ever had the honor of knowing. In the time I knew her, she not only left a lasting impression on my life, but saved my life as well. She was generous, kind, warm, and funny. There was nothing that couldn't be sorted out at the kitchen table over a cup of coffee. Her smile and laughter was infectious! I'm a better person today because of her! (I also am able to dust a table properly!) She touched people's hearts in ways I don't think she ever fully knew. I'll miss you Carol, but you will remain in my heart forever! I'm raising my coffee mug to you, Mrs. Weiss!

With all my love,

Jonathon
