“ *My deepest sympathy to Carole's family. We worked together for many years in the Courthouse. She was always so pleasant, helpful and knowledgeable. She was a real asset to Thomas F. Shirk, County Engineer. So glad that I had the opportunity to be friends with Carole.*

“ *I am so sorry about Carole. I always enjoyed talking to her when she came into the office with the pets. She was so pleasant to talk to. She loved her family so much and I know that her family gave that back. She was a very special lady. My thoughts are with her family.*

“ Cinde, Alyssa and Danny. I was so sorry to read the news about Carole's passing. I will always remember infectious smile and how she was easy to talk to. Shelley used to tell such wonderful stories about her and your family. I remember how Shelley would talk about how she always had to make those famous sandtarts for Christmas, and they were the most scrumptious things I ever tasted. I always looked forward to the cookie tray that Shelley would bring into the office, knowing she made them with love. Please remember I will keep her and your family in my prayers. May God give you strength and peace to get through these difficult times ahead. Bonnie Musser
