“ *Remembering Catherine fondly. Catherine was one of our favorite customers at Wilton Armetale Store. She performed several cooking demonstrations. Excellent cook. My husband and I visited with Catherine and John and Angus several times as guest to her wonderful cooking. Rest in Peace, Catherine. Walk beside John.*

*Catherine and John were wonderful friends for over 25 years. They were gracious hosts, with an eclectic mix of fascinating friends mixing well at their famous dinner parties. They were generous with their hospitality, humor and encouragement. We will miss them in our lives.*
