“ I learned of Chuck’s death , several years after his passing. I was shocked and greatly saddened . Chuck had been my supervisor at LCP and he epitomized all the finest qualities of a leader . He cared about those who he was responsible for ; be it inmates or staff. He truly acted at all times in fulfilling his keystone of care, custody and control. He was also very fine man with a wonderful sense of pithy humor that enabled people to see the irony of stressful situations. He was also a dear friend, whom I have missed greatly in all the years he has been gone .
