“ *My condolences to the family and friends of Scott.  
I knew Scott from the Mohnton playground where I watched him  
play baseball and went out with him a few times.  
He was a really great guy.  
But I will always remember him as Gopher.  
RIP

“ *Condolences to Sue & Scotty. Working with Charlie 23 years we  
were DIE HARD 3rd shift. Good at his job even if frustration.  
He would give me rides to work when & help me out no question.  
Always up for good laugh, finally got him to listen to Preston & Steve  
on Y100 morning ride home, said he laughed so hard he was  
hooked. Shooting pool at firehouse with Dave & Scotty. Charlie was  
great friend to have.*

“ *Scott was a good friend we both grew up on the same street in  
Mohnton and spent a lot of time together. He was also my best man  
but then life happens and we lost touch. So sad that we didn't stay  
in touch. Condolences to his family*
