“ Dad I want you to know that not having you here in my life, I have lost a very big part of my heart. You have always been here for me my whole life when ever I needed you. No one could of had a more wonderful father then you. Who will be here in the morning when I come home from work to help me harrass mom when she wakes up, or whowill be here to make your funny bitter beer face at me. We always joked around making pur silly noises at each other. I know you are with the Lord in heaven, and I know in my heart that you are finally at peace and you are not having any pain anymore. But dad why did you have to leave us. It hurts so much knowing I can not hug you or kiss your farhead anymore. just to see you smile one more time and tell you I love you,It would make me happy. I will never let go of you or the love I carry in my heart for you, I LOVE YOU DAD. Rest in peace with the Lord and I will see you soon and stand with you and God in Heaven, Forever loved and Cherished, Love Alaways and Forever Your Daughter Karen.I LOVE YOU DAD
