“ *For the Family of Chris –*

We had hoped to be present for the funeral of Chris on Saturday, but were unable to attend because of health problems. However, we did want to offer our condolences and pass on our some words of encouragement. We knew Chris through our contact with Grace Baptist Church from many years back. Chris was a faithful member of the church, had a compassion for the sick, and a sincere interest in world missions. His presence will be missed, but we believe he is now with the Savior he loved, and free of his earthly physical limitations. Our prayers and our thoughts will be with your family in these next weeks and months as you adjust to the absence of Chris. Although we sorrow, death is not the final victor for those who trust in our Lord Jesus Christ! May this hope help you as you face the future.

“ Chris was a loyal and loving friend whom I met in a Greek class at Millersville State College back in 1974/75 time frame. Chris dearly loved the Lord Jesus Christ and he loved me and my wife, Dianna, and our children. Any time he called he would always ask about my family and share with me about his brother and sister, Tom and Laura. He also shared Scripture with me encouraging me in my walk with the Lord. I will miss my friend Chris but look forward to seeing him in the Lord's presence again one day!! I John 3:1-3

Thanks for your concern. I remember too. Chris moved from his apartment about a year ago to neffsville rehab. His health had not been good for some time. He died at Lancaster general after being taken there earlier in the day. It was sudden but not totally unexpected.

“ I am so sorry for the loss of your brother, Christian. I have great memories of him from our elementary and high school days. He graduated with me.
He would come to my house for Bible school that my Mom taught in our basement after school.
He was a kind, caring and gentle man who loved the Lord.
My thoughts and prayers are with his family and friends. 🙏
