“ *I have fond memories of Chris from high school. He was a good friend then. We lost touch, reconnect briefly and I was glad to hear that he was doing well in PA. I don't think I've ever met anyone quite like him since. My sincere condolences to Zach and the rest of his family. My prayers are with you all.*

“ *I love you big brother. Thanks for making awesome memories with me. That time we took acid and watched Grease was insane. How the TV guide got turned into Russian from English will always be one of our generation's big mysteries. And all good jams we did were medicine for my soul. Have fun up there on your new adventures and give my kind regards to Mom, Dad, Uncle Bob, Jesus and Mr Rogers for me. Until we meet again my dear bro, One Love.*
