“ Chris was my roommate in the Army in Fox Battery, 7th FA; Schofield Barracks, Hawaii. He was a good guy that I'll always consider my brother. He sure didn't like to wake up for guard duty when we were in the field, but I would've trusted him with my life. I regret not talking with him again after we got out of the service. He was a good dude.

“ Dear Elaine & Calvin:
So sorry to read about Chris in the paper. I often think of all of you and wondered what Chris was doing. I understand you live at the beach.
You are in my thoughts and prayers. Just realized the other Campbell in the paper was Calvin's brother, too much for everyone to handle. Take care.
