“ *Jim and I were saddened to read that Claire had died. I first met her in Dr. Crill's office and later on a tennis court at RCW. I did not know that she was the doctor's wife during our first encounter. She and I shared many good times during our "competitive" matches. We last saw them together at Ida's while having a Sunday morning breakfast. It was such a treat to exchange a few words. Please accept our heartfelt condolences.*

“ *Dear Sally & David, Please accept my deepest sympathy. Your Mother was a lovely lady. I didn't know her as well as you Dad. He was our Doctor for many years. We have five children & couldn't have reared them without him. They were such a nice couple . It's hard to lose both your parents. My prayers are with you .*
