“ *Carolyn:*

Though I haven't seen you since we both left High School, my wife Dodi and I wanted to share our warm memories of your Mother and your Father. They were always nice to us during the many years we lived in Veedersburg before we moved back to Colorado. My wife played bridge often with your Mother and had many warm memories of their times together. I hope this finds you and your sisters all in good health and enjoying life. My wife said she still has the crocheted snowflake your Mother made for her at a Christmas luncheon many years ago. My Mother still lives at her home in Veedersburg and is the same age as was your Mother. You had wonderful parents and many people always thought highly of them both.
