“ Oh so sad... I tried for many months to contact Claudette. I was worried because we never went that long without touching base. What a dear friend she was with a heart of gold and a kind nature. I loved her.. Rest in peace my friend.

“ I worked with Claudette at Laird Technologies for many years. She was one hellava woman and friend. Her most accomplishment, according to her, was her son Elliot. You could see the love and pride in her eyes as she talked about him. To her Mom, Elliot, and family, I am truly sorry for your loss. Rest in peace dear friend!

“ I am so sad to see this. I worked with Claudette MANY years at Instrument Specialties and Laird Technology. She also spent time traveling to Mexico with me while training. One of my funny memories was when our group, while in Mexico, on our weekend off, decided to go to South Padre Island...she was sooo excited, she said she wanted to see the beach....we got there, parked our vehicle on the beach. Claudette sat there, in the car...I said "come on Claudette, get out, you said you wanted to see the beach!" She said " yes, I wanted to see the beach, I don't want to walk on the damn thing!"..... I have a picture of Claudette on the beach, and Yes, while she was sitting in the car. RIP Claudette and God bless your family. Elliot, I dont think I ever saw a mom so proud of her son, as she was of you.
