“ *“Pee Wee” has been a friend to my family for many years. He always treated my parents with great respect. I was always so touched by the love he showed for his cat, Chester, and his previous cat. You can tell so much about someone by the way they treat their pets. Also—he enjoyed cooking and was an accomplished cook. My sincere condolences to the family for this very tragic loss.*

“ *I am so sorry for the Martin family
I know that it is hard to except that he is gone, but the memories you have will live on. Be strong and love hard.
Know that peewee is in a better place and is in great health, Let the love and joy you had for peewee move on to someone else.
Peewee will never be forgotten for he touched us all in his own little way, he meant well.
