

CONNER M. HOLLAND

September 4, 2011

Conner M. Holland, 5, of Lititz, ended his battle with leukemia on Sunday morning, September 4th, with his mother and father by his side. Conner fought valiantly in his 21-month struggle against his disease and the complications he endured from chemotherapy, and is now resting in the arms of Jesus.

Conner enjoyed playing with his friends at pre-school, reading books, spending time outside, and playing with dinosaurs. His smile was infectious, his laughter contagious, and his sweet nature was loved by all. His courage was inspiring to all who knew his story.

Conner will be sorely missed by those he left behind. He is survived by his mother, Sheryl M. Holland, father, Kevin E. Holland, and younger brother, Matthew D. Holland.

Relatives and friends are invited to join the family for Conner's Celebration of Life Service at Petra Christian Fellowship, 565 Airport Road, New Holland, PA Wednesday, September 7, 2011 at 6:00 p.m. There will be no visitation prior to the Service, viewing and Family visitation will follow the Service at the Church. Private graveside Services will be held on Thursday at the Witness Park Cemetery, Lititz, PA.

“ I learned about Connor this year through the cancer aid of Gap. His story tore my heart in pieces. I will continue praying for you and your family through this very difficult time.

“ You all have been in my heart and on my mind since I first met you at HMC. I am very sad to know that Connor lost his battle. You all fought so hard to find that elusive cure for his illness. Surround yourself with your friends and family, take one step at a time and be patient with each other. My thoughts and prayers will continue to be with your family as you go through this very difficult time.

Sincerely,
Gerry

“ I am sending all the love I have. I am a student at Bloomsburg University and have listened to Janessa speak so lovingly about Conner from the very beginning. I felt that I had grown close to him through her inspiring stories alone. I hope that now he rests in peace and that everyone will rejoice when remembering him and all the smiles and love that he has brought to so many.

All my love,

“ I did not know Conner or his family. I was compelled to send my condolences. I am an oncology nurse, and have lost a child. I know this is a difficult time for you...my sympathies to you.

“ Kevin, Sheryl & Matthew -

Kevin I worked with you at Sterling (I was at Town & Country) and I just wanted to let you know that your family has been in my prayers since I first heard of Connor's illness. Your strength, courage and faith are awe-inspiring. Your beautiful boy touched many lives, and his legacy is the circle of love that he created during his brief life. I pray that you find peace and healing with the help of our Father and that your story will help others struggling with grief.

“ *A Picture Of You*

*© Deborah Robinson
I only have a picture now,
A frozen piece of time,
To remind me of how it was,
When you were here, and mine.*

*I see your smiling eyes,
Each morning when I wake,
I talk to you, and place a kiss,
Upon your lovely face.*

*How much I miss you being here,
I really can not say,
The ache is deep inside my heart,
And never goes away.*

*I hear it mentioned often,
That time will heal the pain,
But if I'm being honest,
I hope it will remain.*

*I need to feel you constantly,
To get me through the day,
I loved you so very much,
Why did you go away?*

*The angels came and took you,
That really wasn't fair,
They took my one and only Son,
My future life. My heir.*

*If only they had asked me,
If I would take your place,
I would have done so willingly,
Leaving you this world to grace.*

*You should have had so many years,
To watch your life unfold,
And in the mist of this,
Watch me, your Mum grow old!*

*I hope your watching from above,
At the daily tasks I do,
And let there be no doubt at all,
I really do love you*
