“ *Dear Andy, Topaz, Shaylyn and family, Ken and I were very sorry to hear about Connie's passing. Both of us enjoyed hearing her voice at the other end of a phone call when we were newspaper carriers! She was always so nice and took care of any issues immediately. We will miss her smiling face at the polls and most of all on your front porch. Please know that our warmest thoughts are with you and if we can help in any way we would be happy to do so. Take care of yourselves. Mary and Ken Forster*

“ *Andy, Topez, Shaylyn and Family,*

Connie was a remarkable woman. In the short time I knew Connie I could tell she brought joy into the lives of those who knew her. I looked forward to my visits with her, no matter how her day was going or how she was feeling she always greeted me with that warm and loving smile of hers. I don't believe there was a single time when I visited with her that she didnt speak of her love for her family, especially her love for the three of you: Andy, Topez and Shaylyn. I pray you find comfort in knowing how much she loved you and how thankful she was for her time spent with you. Keep the wonderful memories you have of her close to your hearts!! Thank you for giving me the honor of getting to know Connie and your family during such a special and difficult time. My sincerest condolences.
