“ *Very upset to learn about Cyndi's passing. She did an excellent job grooming my Persian cat for 10 years. Her friendly, pleasant attitude made a stressful event easier on both of us. She will be greatly missed!*

“ *I am so sorry for your loss, and so sorry that I could not attend the services as I was away. Cindy groomed my dogs Dugan and Domino for probably over 8 years. She always was a treasure of information for me and you could tell she took a genuine interest in the well being of my little pups. She was so proud of her son, Jarod. My sympathies to the entire family and those who knew and loved her.*

“ *Jarod and Nikki, Know that we are here for you. I was glad that I got to meet your mom at bingo but couldn't believe that she was gone in a few short hours later. My heart goes out to you both. May the good Lord give you peace and strength during this difficult time. love, Aunt Jen and Uncle Rick*

“ Cyndi sorry that we hadn't connected after graduation, we were close friends and then went our own ways you to college and me to nursing school. So sad that you passed so young. My prayers go out to your family and friends as they grieve your loss.

“ Cyndi, I am still in shock and mourning your loss. Every morning when I wake up and look across the street from my home, I expect to see you preparing for your busy day. I guess this will go on for a long time. You are and will always be a dear friend and neighbor. I will cherish the memories of you and Jared always being there. Jared, I hope and pray that you find some measure of comfort in knowing your mother loved you so very deeply. Cyndi, you will be missed by all who had the honor of knowing you and having you in their lives. Unfortunately I won't be able to be at your service. I will be there in my heart. RIP dear friend, love to you always!

“ Cindy it was so great to get to see you and talk to you at the mini class gathering a year ago. It was good to hear about your love of dogs as much as my wife and I have. You will be greatly missed at all of the class reunions to come.

“ Cyndi fostered our Olivia, with kindness and love. She has groomed at least six of our dogs. Her advice about, and love for, our problematic dogs was beyond price. We miss knowing that she is here; the world is less beautiful without her.

“ Jarod...your lovely momma was scheduled to visit me and my pups on Monday. Her visit was always something I looked forward to...she was a lovely lady, and a genius with the "boys". My heart hurts for you, and everyone else who had the privilege to interact with her. Stay strong. You are in my prayers.
