“ *I worked with Cindy for many years at Orthopedic Associates. She was a kind, gracious person who always took time to help her coworkers and especially OAL's patients. She was one classy lady! Sending my condolences and sympathy to Cindy's family.*

“ *My deepest sympathy to Cyndy's family. During the time that Orthopedic Associates was at the Health Campus I passed through the business office each morning on the way to my office. I was always greeted by Cyndy's smile and a cheerful "good morning doctor". She was a wonderful person and I share in your loss.*
