“ *I worked with Cindy at Lancashire Hall back in the mid 90s. She was not only my boss, but my best friend. We would laugh so much and had her partner Michelle pick us up Taco Bell late at night. Cindy was kind, generous, strong woman. She loved her sons very much. It hurts to know she is no longer with us, yet she is in peace. Miss you Cindy!*

“ *Cindy and I spent 5 years together. We raised her two sons together. I moved from Florida to be with her and the boys. Holidays were always special to Cindy. I remember getting the boys a trampoline for Easter and then having to put it up. What a chore. Cindy use to call me around 1:30 am to bring her Taco Bell and yes I did it. She was amazing with the patients at Lancashire Hall. They all loved her. You will be missed.*

“ You were always very kind to me when I came to hang with Tim when he was still living with you. Thank you for always extending your kindness and love to me as one of your son's friends. Thank you for giving birth to one of my very best friends and one of the best men I've ever met. I pray you're at peace.
