“ *My condolences to the Witwer family. Marcia and Pam, I am so sorry to hear about Dan. I remember him as a young 12 year old when we were teens. From what I've read about him, he grew up to be quite a man and a handsome one at that. Just know that the family is in my prayers and I know he will be missed very much.*

“ *I met Dan while I was in 7th grade. I was assigned a 9th grade study hall due to a head injury which kept me out of Physical Education. Dan was one those in that study hall. He was always decent to me and and everyone I knew. Dan and I, in the past year or so, became reacquainted and I would run into him occasionally and was always happy to do so. I regret that I will be out the area during his Celebration of Life Memorial Service and so will be unable to attend. My heart goes out to Joanne, Davis, Kate and all family and friends.*
