“ Dear RoxAnn and Corey,  
  
We are full of emotion for your loss. We treasure the time that Beth and I spent with you at the news stand and that brought us closer to your family and your struggles with cancer. I remember that you were guests at Beth's wedding some 10 years ago! Times have been more than tough, but the good memories will last forever. Love from the Froehlich family.

Dan loved his family. He loved talking about his son and he cherished his wife. He loved playing golf and his Buffalo Bill's. I will miss our lunches together and our golf dates. Also talking about life in general. May he be resting in the arms of our Lord and seeing old friends and family. RIP my friend.
