“ *So very saddened by the news of Dan's passing. He was a man of great resolve and conviction. He always had the backs of his family, friends, clients and employees. We had a lot of great conversations and funny experiences. As gruff as he could be sometimes, he always looked out for the little guy and never would turn his back on those in need. He was a true friend.*

Now he is with Shirle, the love of his life. May God bless them and we rejoice in that reunion.

To the family, please accept our deepest sympathies and always know that Dan was a beacon for a lot of people- true to his word and never lacking an opinion when it mattered most!

Blessings,

Gary and Nancy Roeder
