“ *Uncle Dan was one of a kind! In his younger years he always had a camera close by and enjoyed bird watching with Aunt Bette. Especially enjoyed hearing of their excursions while looking for the Bald Eagle. Uncle Dan had a wealth of knowledge, especially about cars, washing machines, furnaces (anything with a motor) and current affairs. He and Aunt Bette would join me and my Dad frequently at a buffet for lunch, and boy did he enjoy eating. He was a shining example on facing life during adversity. Will miss you.*
