“ To David and Daughters,

I was very pleased to have Darlene join us at Community Anesthesia Associates, Inc. as our Office Manager. I had just established this Professional Corporation at Community Hospital of Lancaster. I had met Darlene while completing my physician anesthesiology residency program at the M.S. Hershey Medical Center. She was an outstanding Office Manager and the only one we had prior to my retirement! Her warm personality and organizational skills added greatly to this very successful tenure with us. My thoughts and prayers will be with you in the coming days and weeks. Please let me know when the Celebration of Her Life will take place. I would like to join you. My cell number is 717-205-7601.
