“ I grew up with Darrel. He was my cousin, but seemed more like a brother to me. My Uncle Bill, his father, and Darrel lived with us for a while. It was so long ago that I can't remember when or for how long. I remember Darrel loved cars, BB guns, and watching Adam 12 on the TV. Last week, I was thinking about Darrel and the fun we used to have sitting around the dining room table playing Rummy. My heart goes out to the entire family and I wish you all the best. I wish I could be there to say goodbye, but my daughter is going into the hospital tonight to have her labor induced and give birth to my first grandson.

I love you all,

Kevin

“ Tina and family, I was very sorry to hear of Darrel's passing. I had enjoyed working with him at Five Star. All he talked about was his family (including the dogs). He was so proud of everyone. It saddens my heart to be writing this. My thoughts and prayers are with you during this time and after. Love Kelly Hawthorne
