“*Davie liked to say that one of the best years of his life was when he met Bob and I in Europe decades ago. We had wonderful memories and laughs. Through the years, he continued to keep in touch with us. I will really miss his smile and optimism.*

“*Mark, Lynn, and Janet - I have wonderful memories of Dave. We were both in Toastmasters together and became friends. As the younger Mentzer kid, I remember visiting the Creamer house on Hollywood Dr. with my mom and brother. In the late eighties Dave and I drove to Sarasota and spent sometime enjoying the sun.*

Dave always enjoyed a good laugh and he will be missed.

Whenever I see a 50's pickup truck, I think of Davey & his family & riding in the back to the 'cottage' by the Conestoga. I think about the big bottles of home made root beer in his basement & endless monopoly games & rides in the Wahmobile. We had a great childhood. Sympathy to Mark & his family.

I worked with Dave many years ago at Stark Bros men's clothing store in the Manor Shopping Ctr. He also worked for my father, Sam Wagner at Drawing Board Assoc. I would run in to Dave at the Oregon Dairy and spend time catching up. He will certainly be missed.
