“ I worked with Dave at WalMart here in Ormond Beach, Florida. 19 years ago I first met him. What a wonderful man. He was so proud of his family, especially those grandchildren. When he moved to Lancaster he wrote me letters and enclosed newspapers about farm life knowing that my grandsons would love to look at the animal pictures. I would send him pictures of my grandbabies and he sent me pictures of his great grandson, he was so proud. I received a letter from him a couple of months ago and I never got to answer it because my husband and I got so sick with Covid. I was thinking about him this week, I didn't know he passed away, I had plans to call him and then I saw a post on Facebook about his passing. I'm so sorry and so sad about this. Please know that I'm praying for all of you that God gives you strength. I will never forget when I lost my first husband and Dave and Mid showed up at my house with a baked ham. Such kind, caring people. He loved Mid so much, I could tell by his face when he spoke about her and worried about her if she wasn't feeling well, he would leave work and go home to check on her, true love.

RIP dear, sweet Dave. Love, Robin and Dan
