“ I met Dave over 30 years ago and even though I left the area in the 1990's and moved back to California, we remained friends and continued to take many trips together all over the US. Dave loved to meet people and loved to travel. My favorite memory was meeting up in Colorado, traveling and camping in the Rockies and then continuing on to California together on his bike. Dave seemed to have or make friends wherever we went. He was a very talented artist and had a big, kind, heart. He was a truly a great friend and I will miss him terribly but am so grateful that he was a part of my life. RIP Cherry Man! Lisa

“ I knew Dave, Nicknamed "GunPowder" by our friend Marion Cameron. We rode motorcycle together when we were barely out of our teens. A few times I helped him pick up or deliver one of his projects.

“ I knew Dave quite well. When I lived in Pequea for 20 years, I did paint-work on his motorcycle, plus he was once part-owner of the Pequea Tavern (Inn) where our bands played. Rick Bowman - York, PA
