I'll always remember "Debbie" as the adolescent growing up to become the aunt first in the family roles. She enjoyed her first nephew, Jeffrey, and dressing him up in girl's clothing (it had no psychological effect on him), he was a good sport about it, he had no choice, ha, ha. I think Debbie wanted a niece, lol. She had two brothers but no sister. I was only a sister in law, it is not the same. Three years later, along came a Niece, Stephanie! Within the following years she graduated High School, and went into the Marines and started her own family. She later became "Aunt Debbie" to another niece, Jennifer. Her daughter Shannon is close to Niece Jennifer's age. They make best cousins for life now! Deb enjoyed playing board games, cards., and spending time with the family. We had many laughs throughout the many years. I will remember those laughter times! "Deb" was intelligent, adventurous, independent, strong, courageous, and helpful. She was a history buff, particularly interested, in family genealogy and small town, Salunga, PA. She was a industrious homemaker and a faithful wife. A couple of years ago, she took a trip across the United States via train. What a great experience she had as I listened to her stories she told and I savored the happiness in her voice! She was brave to take that trip by herself and I told her that and her reply was I had my new smart cell phone along and I could be in contact with the family the entire time! She could also play games on it to occupy time. What an adventure that was for her and she enjoyed it immensely! She arrived back home safe and her mind filled with great memories! "Aunt Debbie" will be solely missed by our family! Judy Sincere condolences to Deb's immediate family: Mark, Markie, Shannon, and Shawn.
