“ *Deb was a truly awesome friend. She was always rescuing cats and would call me to come over to see the newest rescue. I fell in love with a very special rescue and she became my cat. We took a lot of long walks in the neighborhood and stopped to Pet every dog. We always laughed that we could remember the name of the dog, but, not the name of the owner. Rest in peace my friend.*

So sad to hear of Deb's passing. She was a good co employee at the phone co. Loved animals and will enjoy her pets in heaven.

“ Having known Deb since homeroom in high school I am sad that we have lost another great lady from the JPM Class of 70. Deb always made me smile and laugh. I will always have that memory of her. My sympathies to all her family and friends. I'm sure she will be watching over all the cats from heaven and making sure they are taken care of.

“ Deb and I always had this thing when she called me. I'd always say "hey Pip, what's up?" Then she'd say " oh, not much Lene" then we'd both crack up laughing. I am really going to miss those calls. She was such a special friend for over 55 years. She will be missed terribly!

“ I had just met Deb on Monday of three week she passed. She and I and another neighbor were working together to trap, neuter and rehome/ release the continually growing cat population on our street. Deb took our very first adoptee to Pet Pantry to be spayed on the day she passed. I have a text from her that afternoon that we, **THE THREE AMIGAS** were **THE TRAPPING TRIO**. Deb, we will continue to do the work, in your memory, and I personally will continue to shout **GOOOOO STEELERS!**
Im glad I got to meet you, it ended too quickly...
