“ To the Delmas family,

I got to know Del through our 30 + years together at UGI. He was my good buddy, we went through alot together of those years and grew very close to one another. I will miss him and just to let you know, he was such a great guy and friend to not only me but all of us here at the UGI family!

We are all thinking of all of you at this very difficult time but he is resting in peace now and we will all cherish him and our memories together through the years! Such a tragedy for losing him so early in life and we all know how much your family will miss him as well as all of us will too! He will be remembered as such a very nice guy and a very hard worker as well.

Take care and know that you are all in our thoughts and prayers!

“ I worked with Del pretty often over the past 4 years. I was with him his last day at work. Together we found something that had not been seen in many years. It gave us a struggle but we fixed it. Afterwards Del looked up at the sky and posed like he was a superhero. That was the last thing he did at UGI. He was a big guy with a big personality. Everywhere we went together it was only a matter of time before people knew who he was. I'm glad to have known him, he was a great friend.

“ To Tasha and all of the Cunningham family and friends, my prayers are always with you. Dale, Moose, big D, D.C., I miss you already, wish that we could have enjoyed one more ride in the blue Olds! The memories of our trips, our rides, our cookouts, our get togethers or just hanging out at your garage, will last me a life time. Our true friendship of over 50 years is something that I'm proud of. But you've been more than a friend, you've always been my brother. Having a "Bubblie" at "the bottom" and the "chicken coop" will never be the same. I will always keep a "Billy D" at the seat across from me. I'll see you one day, and we can enjoy that ride together.

To Tasha and the Cunningham families, I remember the day that Del started at UGI. I thought, what a giant of a man. It didn't take me long to know that his smile and personality were as large as he was. He was someone you always wanted to be around. I was honored to be a part of his Union administration where we had many good times and conversations together. It didn't take me long to become a close friend of his and be invited to his wedding. I felt like a part of his family. I will always cherish the times we spent together and the times we met with our wives for dinner. You are a true best friend and you will be missed by all of the lives you have touched. I know that God has a plan for you. R I P brother.
