“ *Miss you so very much Dad. Life is hard without you here. But, I treasure the 35 years I did have with you. I am thankful you were there to walk me down the aisle when Rob and I were married. I will never forget those moments outside the church in the limo just before you walked me into church. Thank you for being a father to my husband too. The kids miss their Pop-pop very much. We talk about you all the time. Even Bethany and Juliette know who you were. That amazes me since Bethany was so little and Juliette was not born yet. Addison, Gabrielle and Max miss you terribly. We are blessed to have precious memories of you and feel so fortunate you were able to touch our children's lives. I feel your presence every day and not a day goes by I don't think about you. I hope you and Sweetie are enjoying where I picture you to be... Sitting in the warm sun while Sweetie runs free without pain and you with some of your favorite music playing just watching over us. Love you and miss you so much Dad....*

Your daughter, Holly

Your son-in-law, Rob

And your grand children, Gabrielle, Max, Addison, Bethany, and Juliette xoxo

You have left your mark.

“ *My Darling and beautiful brother graced this world with his talents, his caring, and his easy going nature. He was fun to be with and always poured out his love to his family. He adored his wife and was very proud of his children and grandchildren. Everyone that knew and loved him will miss his smiles. Our worlds will be smaller without his company. We love you, Dennis!*
