“ *Ms. Donisia,  
Where do I start, You have been a staple in the Boots families lives since I can remember. You have always been the sweetest, nicest, funniest and loving person. You were non judgmental, and treated everyone with respect. Growing up our families were the true definition of “It takes a Village”, generation after generation. To the boot’s family from 107, You were a Bonus Mom, Grandmother, and Great Grandmother. You truly Lived out Christ’s Purpose for Your Life!!! You Were truly a Tangible Presence of Christ on Earth!!! I Love you and the Family my Family! Love you All. May God Grant You With Peace and Comfort! Amen*

“ I’ve known Dionisia since the 1960’s when she moved on Howard ave. Our families quickly meshed and became one big family. I will be ever thankful that she taught us how to cook Spanish food and learn the language. My condolences to the family.

Love,

Dee Dee Boots and the whole clack family (Georgia Clack)

“ From my mom Grace Culbreth:

*I have so many fond memories from Howard Ave. with Dionisia. She taught me how to make spanish rice (the old school way). I am so thankful that she didnt run out of patience with me. She would always invite me to eat, and she never had to ask me twice. I would go to her house so often that I thought I was her fifth kid. Our families started off as friends and grew up together as family. I cannot think of anyone on Howard Ave that came close to the BEAUTIFUL person Dionisia was. She will be truly missed.*

*I read something, "Because someone we love is in Heaven, there is a little bit of Heaven in our home."*

Love Grace

“ I grew up with Ito, Delia and Jason. I had the pleasure of spending a lot of time with Dionisia and her family. She was kind with a great sense of humor. Between my grandparents love of soap operas and Dionisia's love of Univision I learned real quick that spanish soap opera's were better than Young and The Restless, Days of Our Lives and anything else lol. From time to time, she would take me to church. She was like a second grandmom to me. This family was like a second family. I am so blessed to have known her. I will always have love for you guys. You are forever in my heart and prayers.

“ *Delia has been one of my closest friends since we were young. I have the best memories being at Welas house. Yelling at us one minute, then making sure we ate the next. I haven't seen her in many years but I always held onto those memories. My heart goes out to Delia, Mari, Nelson, Jay and the rest of the family. I love you all and praying for comfort for the family*
