“ *I remember Dorie from QVC when I had a temp job there in 1992. She had high work ethics but was very friendly and a good teacher. I am glad to have known her. She was one of a kind.*

“ *Met Dorie in 1996 when I started working at QVC. Although I was warned that Dorie could be a little difficult to work with, we soon found we had a lot in common and became good friends. She got me involved in one of her card groups and I met many nice ladies. Also have fond memories of our trips to OCMD and Dorie's mobile homes and then home there. RIP Dorie, you will not be forgotten my friend. Yvonne*
