“ *As a customer of Etemco, I had the honor and pleasure of working with Dee. She amazed me with her knowledge and she was a true inspiration for me. She was always quick to respond and very thorough in everything she did. Our initial business relationship grew into a wonderful friendship. She touched your heart with her warmth and her willingness to listen. My sincere condolences to Beth, Paul, Logan, Nolan and her Mom. She talked non-stop about you and I know she loved you so much. You will be missed by all Dee...*

“ Dee was a wonderful, caring individual who blessed Discovery Corner Preschool with her generosity and compassion. We have had the pleasure of getting to know her through her wonderful daughter, Beth, and her two grandsons, Logan and Nolan. Dee was always one of the first people to help our Preschool with anything we needed be it supplies, time or fundraising. Her passing seems so swift but I am so glad her suffering has come in to an end. Dee's spirit will certainly live on through her special daughter and grandsons.
