“ *Dear Audrey and family.*

It was a pleasure and honor knowing Don. He always had time to stop and chat on the walks around the block. I fondly remember the time he stopped in to tell us that our newly planted trees out front were not doing well and that we should water them. Thanks to Don, they are growing and thriving. I will treasure the friendship you both offered to the "neighbors." My thoughts and prayers are with you in this difficult time.

“ *Dear Audrey, Will always remember the times we went out to eat and the special friends you and Don were and you still are to us. Even tho we couldn't get together the last couple of years, we cherish the time spent with you in your lovely home. It is a comfort to know Don is with his Savior. I pray our Lords comfort for you now. In Christian Love Frank &Carole Fiorentino*
