“ I'm so sorry to hear of Donna's passing. I worked with her at RRD for many years although our interaction was primarily based on safety issues. To Marty and the family my deepest condolences.

“ I worked at the same RRD plant as Donna, but different departments. I actually worked in the same department (LGM) as her husband, Marty. The last few years of our employment there, when Donna would be making her morning rounds, she would stop in the LGM office & we would chat for a spell. We both would have each other laughing! Great way to start the day. I always looked forward to her visits!  
RIP Donna & God bless your family.  
Sincerely, Lee Ann
