“ *Dear Marti, Toni and family,
My deepest sympathy for the loss of your dear sister and a great friend. I was Donna's neighbor for several years living on top of her at Cedar Acres. We became wonderful friends over the years and she was truly a blessing to have in my life. We had wonderful times together and although the last year or so we were unable to be together, we frequently called each other to keep in touch. Donna will be greatly missed and I will cherish the wonderful memories we shared! My orders and thoughts are with you and your family during this difficult time. May her memory be eternal!*

“ Dear family of Donna. I am so sorry for your loss. I worked with Donna many years ago at the Timeter Group. She was a wonderful person to be around always joking with her beautiful smile and hearty laugh. I am forever indebted to Donna because she helped me during a very difficult time in my life. She took the time to listen and gently suggested some options. Rest in peace beautiful Lady.

“ Over the last two years, Donna has participated in the virtual worship at Trinity U.C.C., East Petersburg. She also participated in our various online adult educational classes. The people at Trinity felt so close to her and enjoyed all that she offered to those classes. She will definitely be missed by all!
