“ *Donna was my favorite neighbor! She always made spring time so beautiful with all of her gorgeous flower beds. She even would plant my flower beds for me. She loved gardening so much. I will miss her smile when she sees me or my daughter outside, our conversations from the back yard and the visits to one another's home (right next door) on snowy days. She is dearly missed. Blessings to her son and his family during this time.*

*Our condolences,
