“ *Clayton & Family: I am very sorry for your lost. I worked with Doris for 4 1/2 years at Childcraft and it truly was a pleasure. I shared alot in common with her, especially her granddaughters name "Andrea". I just want you all to know that you will be in my thoughts and prayers. I pray that Doris didn't suffer much. I know it seems extremely hard; however, knowing she is not suffering makes it easier. God Bless you all! Love and prayers, Andrea and Paul Derr.*

“ I am so very sad to hear of Doris' passing. I worked with her for years at Childcraft and saw her last year at her home. We had a wonderful talk and I have been thinking of her over the past couple of weeks and how I should stop by to see her again. I am so very sorry to say I had not done so yet and now I want her family to know I am thinking of and praying for all of them. Doris was a wonderful person and I was so fortunate to have known her. We had so many good laughs together. With my deepest sympathy.....Susan
