“ *Trying to be patient wiinatg for the next diary entry. God bless you, Dottie for being the provider of all news, high and low, regarding Zenyatta and her connections. It is obvious all things Moss, Shirreffs, Barn 55 and Mike Smith related to racing, are embraced by us who come here. In the mean time, I have lit a candle in each site set up for Cloud Man and continue praying for all. I hope Zenyatta has had a wonderful long Thanksgiving weekend at Lanes End.*

“ My sympathy goes out to the family of Dottie Woods. She was a very special person to me. I was Dottie's supervisor for many years while she worked in the Sheriff's Office. She was very professional in her work, but was funny and made you laugh many times.

Dottie was well liked by her co-workers and never said a harsh word about anyone. She spoke highly of her family, including her children and grandchildren.

I remember when I interviewed Dottie for the job, after interviewing her, I asked her if she had any questions for me. Her one question to me was "Do you hire old people". Dottie was 55 years old at the time. I just laughed and said, "Dottie, you are not old"

Dottie loved her husband and family very much.

I went to see Dottie at Moravian Manor in the last year and she was so glad to see me. I spent some time with her in her room. She was very happy at Moravian Manor.

Dottie, rest in peace. I will miss you.
