“ Although I haven't seen Dottie for 20+ years, I remember her smiles and how much fun she was to be with. We used to go dancing quite a few times, an event I looked forward to. Dottie loved to dance as much, if not more than I did, and we had some great times together. Dottie, may you be dancing among the clouds as you watch over your family. You will be remembered forever within the hearts of those who were fortunate to have known you.

“ I will always remember what a great dancer she and Bill were at Bill and Jeanie's wedding and the happiness they shared. She loved her family and will be greatly missed. Love Jean
