“ It was an honor and a delight to serve alongside Dottie on the Board of the Donegal Chapter, Daughters of the American Revolution. She was always quick with a smile and a laugh and ready to volunteer whenever one was needed. Dottie was a wonderful friend and we were all lucky to be part of her world.

“ I'm so sorry to hear about Dottie. I was a Nawawka camping buddy and exercised with her at Hempfield Rec. We enjoyed lots of laughs and giggles. Some of them were caused by her delightful holiday socks and sweat shirts. Prayers and love to you. Mary Ann Hess

“ Dottie and I were classmates - McCaskey Class of '56. I knew her in high school, but not very well. I was happy to meet up with her again at our ladies' lunches, more recently at Oregon Dairy. She was always a dear and friendly lady and kept up to date at every holiday lunch, dressing for the occasion. I remember her cookies at our cookie exchange meetings every December. Hers were the best.

I was so sorry to read she had passed. We will miss her. I will attend her memorial service. Sending sincere condolences to her family.

“ Dottie and I grew up on Broad Street, across the street from each other. We spent a lot of time playing Canasta and Royal Rummy usually on her front porch. The 50's were a great time and a simple way of life especially with friends like Dottie. Carol Ann

“ About 14 years ago, a woman walking her tan cocker spaniel Manny stopped to welcome us to the neighborhood and she was surprised to see Ed's familiar face from years ago at St John Lutheran Church. After that she would often stop by and have breakfast or a cup of tea with us. What a friendly face and a dear person. I can still hear her spontaneous laughter! I like to think that she and Manny are on their walks again. With heartfelt sympathies, Carol and Ed Goss
