“ *As a young child, part of Dream City School of Marietta, my fellow classmates and I made it a tradition to go every Friday and read to the folks of St Johns Luther Estate in Columbia. Mrs. Frank and her husband were a couple I thoroughly enjoyed reading to. They were such a lovely couple and had so many great stories to tell. To this day, I still have a note Dottie wrote to me when she was away while John had been in the hospital. It was so dear to me and I have held onto it since. She and her husband were a blessing to have known. God bless.*
