“ I have so many memories of my grandmother, too many to mention but I know she would do anything for any of her grandchildren. I miss her so much and I hope she knows how much I appreciated everything she did for me, I know she would be proud of me for my recent job promotion and I will continue to get better in memory of her. I love you Mamaw and can't wait till I get to see you again. Your #1 grandson. Joel R. McComsey.
