“ We are three ,very close sisters, I am the youngest , Grace next & Dottie the oldest. I remember my dear, sister ,Dottie taking me everywhere ,to parks &the beach when I was young. We three sisters never argued & respected each other, as sisters should! When I married & had children, Dottie's beautiful letters were my favorite mail, to look forward to. Since we lived in different states, we relied on phone calls & letters to keep in touch, always with love in our hearts!!!Dottie had a great, caring heart, took care of our dear Mother until she passed away, was always willing to care for our brother, Alvin , also my Aunt Sue. She will be dearly missed but happy ,in Heaven! I'm sure God will have many rewards for her. I love you sis, Dottie !!

“ I met Dottie and Paul several years ago by way of their son, Jim and we always got together for birthday dinners with them and we had so much fun with both of them. Dottie was and is a very special person to so many. She always had a big smile on her face whenever we got together. So sorry we had to miss her birthday this year due to her not feeling well and then the next I knew she was in the hospital. So glad I got to see and visit with her one more time. Now she is home again with her love, Paul. Together forever! Rest well beautiful souls!

“ *My Mother was not only the best mother any daughter could have but she was my best friend. As the obit says she did love golfing with my Dad and sewing, but most of all she enjoyed writing. She was faithful at writing letters to her sisters and to me and to others who would also write to her. She was able to put words down on paper in a way that made her letters so interesting to read. She often said she was better at writing her thoughts than speaking them. But in my opinion she was good at both. She was always kind, caring and compassionate toward others. I'm sorry to say that I will be absent at her funeral, but she will always be present in my heart and sorely missed. Thank you to all who attend her celebration of a life well-lived.
Her third daughter, Betty Lou.*
