“ *Darryl and Family,*  
*Please know that you and your family are in our prayers. My mother passed away when I was ten years of age and Sis. Calloway was the only woman in those 56 years that I would have considered calling mother. Sis. Calloway loved Jesus and she shared His love, wisdom and caring with me. I will miss our time at Friendly's and our long telephone conversations since we moved out of the area. I am so sorry that I will not be able to be there with you on Saturday, but know that I will be thinking and praying for you. But most of all, know that God loves and care for you and your family and He is with you always.*  
*God Bless!*

“ To my nieces, LaShanda Y. and L. Yvonne and your families, and Frank and Darryl and your families, I send my condolences to each of you as you mourn the loss of your grandmother/Mother. My heart goes out to you and I continuously send up many prayers with your names on them. I enjoyed my regular talks with Dorothy, and will truly miss her. I know that my words will not ease your pain at this time, but I do know you now have an ANGEL that personally knows your name now setting in heaven! She now watches over you and your families better than ever before and will always be pulling for the best for/in each of you...May you find some peace and comfort in knowing that her heart was full of love for you, for her family, and that through it all she believed strongly in the fact that the Lord had a plan for her life! I know that she is smiling, walking, running, singing and yes, talking it up in heaven... Always know and remember her love for you, for her family and pass on that love to each other as you move through your loss, the pain, the numbness, the sadness, the tears and on to the joy of the memories of her from the days, and years so long ago that will creep back to your mind as if they were yesterday, and make you smile! May God bless, keep, and comfort each of you, Love Aunt (Arlette) Karen
