“ Dot Wiley and I became friends through the Agape ABF at Calvary Church - PLUS her daughter Lori and my daughter Deborah became good friends during their school years.

I remember camping with Dot and Leon, her husband, and their 3 daughters Sleeping in a tent on the ground was not bad because the goodm, fun memories overcame the lumpiness of the ground through the sleeping bags..

Occasionally, after our daughters were graduated and were making their own way in the world - Dot and I would meet for lunch in each others homes.

She was a dear person to know and befriend and create memories with. As happens in life - - Dot decided to live in Willow View and eventually I moved to TN to live with my daughter and her husband. No regrets; and we were and are where our Lord and Savior has planted us.
