“ *Dear Baker family, My deepest condolences on your loss. I grew up with Doug, ran around with him in younger years and when we were all in CBing. I worked with Doug at Federal Mogul and always considered him a friend. He will be greatly miss, I'm sure by many. Darlene I'm the lady who came in sub shop and always told you to say hello for me. The last time I saw you children you were little and living on Redwood Drive. I know Doug is in a better place now with no pain and illness. God bless you in this time of grief. “ *We were sorry to hear about Doug,s passing. Will always remember the late nights on the C.B. radio and hill climbing on the power lines. You were a great guy cuz. Your heart was as big as your old black buick. Will miss you. Tom remembers the Baker picnics when you guys were young. Annie remembers you and Mike Alexander, cruising the loop, in your big black Buicks. Your boys had a great dad. Ann and Tom Hipple*

“ Doug was our neighbor for many years. I will always remember with fondness, the crazy conversations we would have about anything and everything on his back porch. Doug would sit on the brick wall instead of the many nice chairs, and drink his half gallon of iced tea. There were many times that we would borrow tools from him because he seemed to have every tool ever made!
Rest in peace, old friend and good neighbor.

“ It saddened me to read of Doug's passing. He was a "good guy" devoted to his wife & family.
My condolences to Keith, Shawn & Brian & families, who I had occasion to know thru my job at Susquehanna Bank.
Doug went to Lanc Twp Jr High School with me.
He will be missed.
My sincere sympathy,

“ I was so sad to hear of Doug's passing in the paper today.

Doug and I shared a common love of steak sandwiches, and he surprised me on more than one occasion with a steak sandwich delivery to my office. Dough was just a kind person who loved his family dearly. I am sorry for your loss. alaine
