

Douglas M. Harsh

December 29, 2017

Douglas Harsh (Dougie) age 29 of Lancaster was freed from the chains of addiction on Friday, December 29, 2017.

Many knew Dougie through the lens of the addictions he battled for years, that wasn't the real Dougie though and those fortunate enough to truly know him would know that he was fiercely loyal to his family and friends. He fought his addiction but the chains that bound him were stronger than anything he could do on his own.

A 2006 Penn Manor graduate, he was an avid eagles and penguins fan. He enjoyed outdoors especially fishing. His family had many beach trips and fishing adventures. He is survived by his parents, Douglas and Lisa Harsh, sisters: Briana and Kelly, wife of Cody Mason and two brothers: Brandon and Jordon, also many grandparents, aunts and uncles and cousins. He took pride in becoming a new uncle to his niece.

Relatives and friends are respectfully invited to attend Doug's Funeral Service at The Fred F. Groff, Inc. Funeral Home, 234 W. Orange St., Lancaster, PA on Thursday, January 4, 2018 at 11:00 a.m. The family will receive friends at the funeral home from 10:00 a.m. until the time of service.

If desired memorial contributions in Doug's name may be made to the rehabilitation facility of your choice.

“ *Doug was a student and player of mine. Pound for pound the toughest kid on the team. His smile was infectious. Always had a little mischief behind those innocent “who me” looks. Peace be with you and your family.*

“ No words can begin to express the loss of a child! It's so unfair to such a loving family! May God bless you and your family through this day tomorrow. We can only continue to pray on some cure to this ungrateful disease! May you find comfort in knowing he's done struggling. May God give each one of you the strength to hold him close to your heart and move on. May you come to peace and understanding. GOD LOVE your family as each one strives to take a new breath everyday! With much love!! Barbara T. and Dave Hess.

“ Harsh family,
Thank you for your condolences on the passing of our son Josh. We don't get the paper so I didn't see that you also lost your son to this horrible disease of addiction. I pray that God carries you all tomorrow during this time of goodbye and for the days, weeks and months that lie ahead. We have peace in knowing that they no longer are in pain and their struggle is now over. May God bless you!!

“ I met Doug when him and my son Karl were at Concept 90. My son and Doug became friends and we're both on the way to being clean and beginning a new life free from addiction. Doug lost his battle due to the temptation of drugs. He is now free from this and has gone to heaven.

I'm so very sorry for your families loss and may you be comforted by God.

“ Dear Doug and Lisa,
I was so saddened to see that your son had passed and even more sad to know that he was yet another victim of the powerful pull of drugs!
So many of our youth today are getting caught up in this web of horribly potent junk.
I didn't know your son, but I have known others like him.
Knowing the two of you was enough for me to feel sorry that you are going through this unnecessary loss as well as your entire family.
The pain must be intolerable.
My brother Bill occasionally tells me that you pass on your "hello's" and I have appreciated that over the years.
Now I say "hello" to you during this period of your lives and pray that you can find some peace during this "good-bye" time of your own.
Doug is at peace now, know that for sure. He is resting in the arms of HE whom hath made him, free at last from his earthly sorrows.
You will see him again, most certainly, for God hath commanded this. He is a God of LOVE, remember that, above ALL ELSE.
I wish you peace, love for each other in your grief as a couple and as a family.
I will be thinking of you during the funeral and after.

For Doug, Lisa, family, and friends of Dougie: I did not know your son but I know you and your love and commitment to your children. Thank you for being brave enough to include the details surrounding Dougie's death in his obituary. We need to stop "sweeping those details under the rug" as an embarrassment and instead face this DISEASE so we can help others avoid, or break free, from their addiction. Hold the good memories close and draw comfort from them. My heart goes out to you all, Trudy Eby
